Praditus Egi Danuarta

IT Enthusiast

Temanggung, Central Java, Indonesia

Summary

I am a student with a keen interest in the field of IT, particularly in web development and data science. I am always eager to learn new technologies and enhance my skills in this domain.

In addition to my technical expertise, I possess excellent communication skills and thrive in collaborative environments. My experience in student organizations has equipped me with strong interpersonal and leadership abilities. I am confident that these skills will prove invaluable in my future career.

Experience

Forum Asisten

10 months
